Stay on the left-hand side and continue on this footpath which will veer right again after crossing a small road Brigsley Grange Close.

Continue straight on until you see the road veer right, you will NOT be veering right, you will be heading straight on down Church Lane.

Head down Church Lane, passing the St Helens Church on your left – Please be aware there is no footpath. Once at the bottom here you need to turn LEFT. You are now on Waithe Lane – Please be aware there is no footpath but plenty of grass verges to allow cars to pass.

Continue following this lane for approx. 2 miles. You will come to a T- junction, here you will turn RIGHT. You are now on Thoroughfare – Please be aware there is no footpath but plenty of grass verges to allow cars to pass.

Continue along Thoroughfare for just over a mile until you see a RIGHT turn at another T junction. Here you turn RIGHT. You are now on Main Road in Ashby cum Fenby Village – Please be aware there are no footpaths through the village.

Stay on this lane all the way through the village. The road will veer sharp left near the entrance road to Hall Farm Hotel (do not turn off down here). Stay on the lane and follow it as it veers left and then right heading straight on until you come to a T Junction.

Here you will turn RIGHT and cross over the road (please be careful of traffic both ways) onto the footpath. You are now on Main Road. Continue straight on. You will come to a small bridge – there is no footpath here so please be careful. Continue straight on up the small hill. You are now on Waltham Road.

Once you are at the top of the hill you will see the path start again on the right-hand side of the road. Cross over the road to the right-hand side, being careful of traffic both ways.

Stay on this footpath and take the first immediate small road on the right (this is only about 50m long) turn immediate LEFT to re-join the footpath retracing your steps on the way back to Waltham Windmill and the lamp post that you started at which is also your **FINISH**.
