Once at the **START** stay on this footpath leaving the shops behind you and head along Pelham Road until you reach the Bluestone Pub on your right-hand side.

Go past the pub and veer **RIGHT** down Habrough Road. Continue along the footpath on Habrough Road crossing various junctions. It will feel like you are heading out of the village and you will see a Habrough Village sign. Keep going on the footpath for approximately 3/4 of a mile until you come to a **RIGHT** turn called Mill Lane.

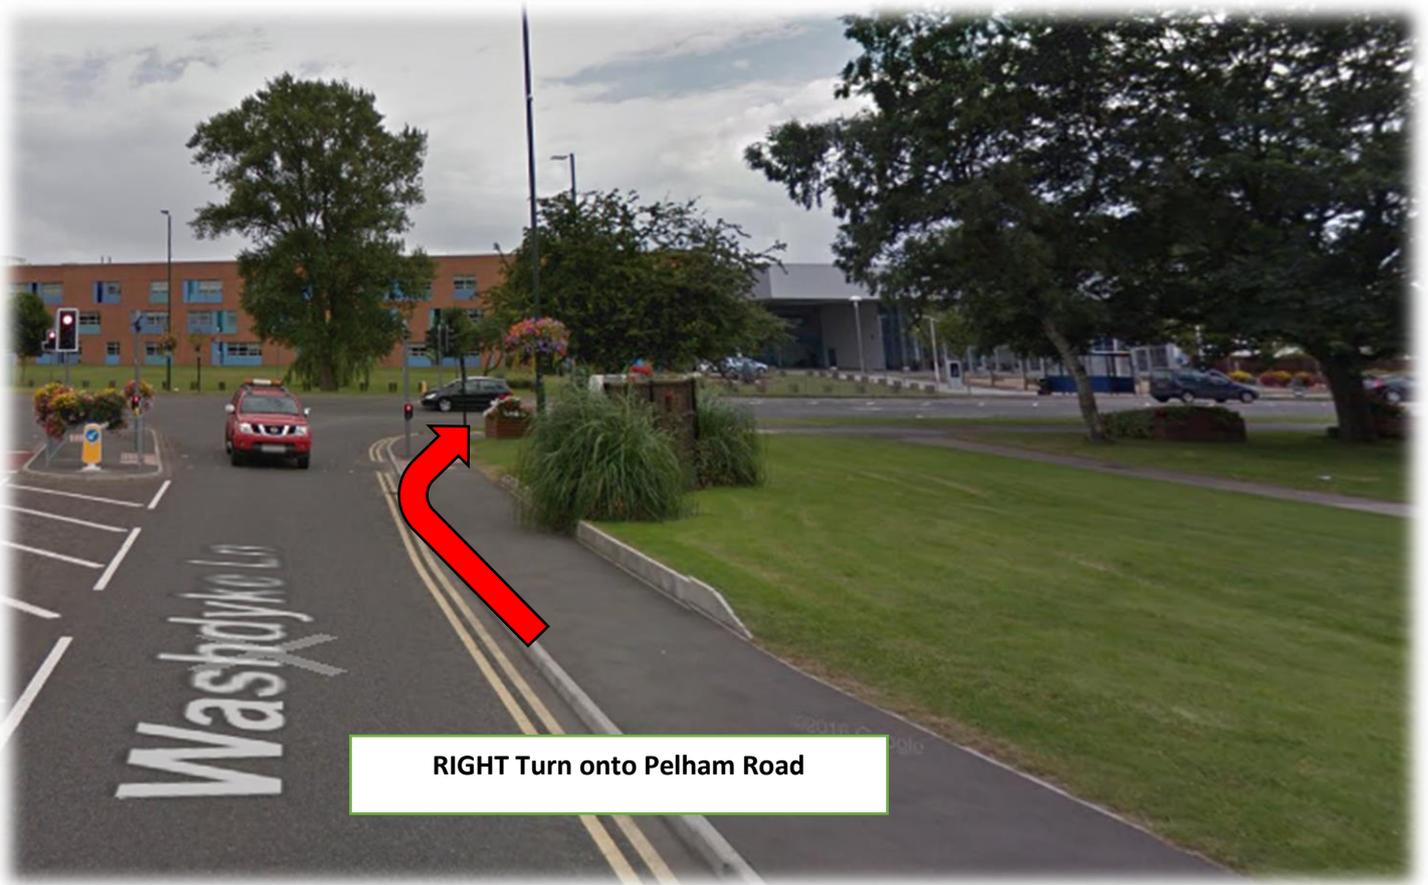

Once you have turned **RIGHT** down Mill Lane, continue on this lane. Part way down you will come to a small fork in the track, here you turn **RIGHT**.

Once you have turned **RIGHT** at this fork, keep on this lane all the way through to the end. You will come out at Church Lane.

Turn **LEFT** onto Church Lane crossing over the road to the foot path on the other side. Here you will see Pilgrim Park, keep this on your right-hand side and follow Church Lane as it veers right and turns into Washdyke Lane.

Stay on this foot path all the way to the bottom of Washdyke Lane, passing a shopping area and car park on your right-hand side. You will come to Pelham Road, here you turn **RIGHT**.

Once you have turned RIGHT onto Pelham Road go straight ahead, you will see the lamp post that you started at - you are now HALFWAY.

**REPEAT** this loop once again following all the instructions until you are back at this lamp post again.

This is the FINISH and completes your 10k route.
