Once until you have travelled approximately 1 and a half miles, you will come to a junction at a main Road. This is your **TURN POINT** where you need to make a **U-turn**.

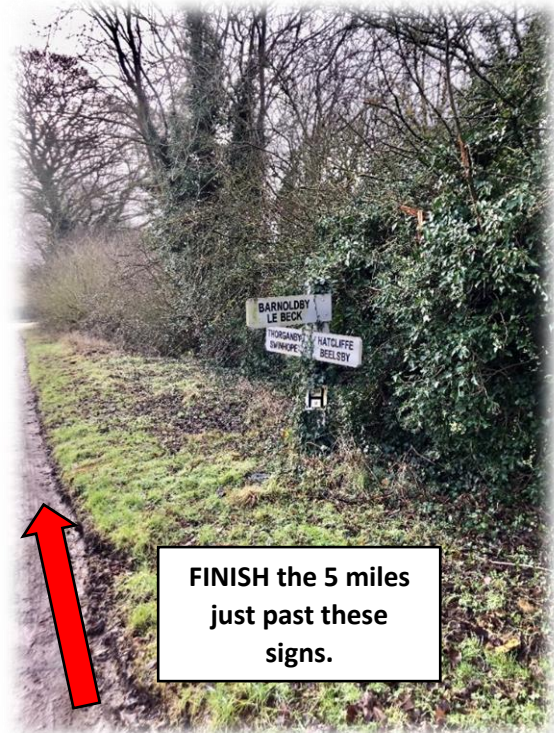

Once you have turned back around follow the lane back to where you started at the cattle grid. Once you arrive back at the cattle grid (start point), turn **RIGHT** at the road junction ahead onto Main Road and head straight ahead into Hatcliffe village which is signposted.

Head through Hatcliffe village, the road veers to the left up a small hill, this road leads all the way to Beelsby Village. Please be mindful of the traffic, there is plenty of room to move over onto the grass verge. Stay on this road all the way to the next junction at Beelsby.

Once you get to the junction make a U-turn and head back the way you came all the way to Hatcliffe Village.

Once you reach Hatcliffe village again, head through the village. Just outside the village you will come to a T-Junction, your **FINISH** is just passed the signs at this T-junction.
